### "Asking God the Tough Questions"

The Rev. Dr. Thomas Shepherd brings his "wise and witty" style to you in an exciting workshop based on his new book, *Good Questions*. Dr. Tom will gather questions from participants and lead lively conversations about whatever subjects you want to explore. Discussions will range over topics like these:

- Why do innocent people suffer?
- What good is the Bible?
- What happens after death?
- Reincarnation — How many lives could I have lived?
- What is God like? Is God a He, She, or an It?
- Is Unity a cult? How do I answer my friends' questions?

Also features a "Build Your Own Bible" exercise, matching new insights from modern biblical scholarship with your input about the Scriptures. Opportunities abound for lots of small group discussion. Don't miss this one!
